

CH1

Smart Wi-Fi Chime

Boost the performance of your video doorbell

The CH1 chime is a steadfast ally for your existing EZVIZ battery doorbell. It creates pleasant ringtones to inform you of a visitor, and boosts Wi-Fi signal in a large house.

Designed for EZVIZ Battery-Powered Video Doorbells (EP3x Pro & More)¹

 Built-in Loud Siren

 Supports 2.4 GHz Wi-Fi

 20 Notification Ringtones

 Dual Antennas

 100-240V AC Power Supply

 Simple Plug-In Installation

 Compact Design

Amplify Wi-Fi signals for stable internet connection

With the CH1, your doorbell delivers steady performance with a stable network connection, even when it's installed outdoors and far from your home router with thick walls in between. Such enhancement is smartly done while optimizing the battery use of the connected video doorbell.

Know instantly when your visitors arrive

As soon as someone presses your EZVIZ doorbell at your front door, you will get a real-time audio notification from the CH1, even if your phone is out of reach. The chime reaches up to 72 dB with in a 1-meter radius², so you can hear the ring loud and clear.

Find the perfect ring for your sweet home

No more ear-piercing sound to startle you!
Choose from 20 custom tunes to please your ear.
Feel free to adjust the volume to just the right level,
or mute it when you don't want to be disturbed.

-  20 Notification Ringtones
-  Adjustable Volume
-  Mute Option for Private Hours

1 The list will continue to grow as EZVIZ launches more compatible battery-powered video doorbell models in the near future.

2 Data from EZVIZ Lab's test results under standard conditions.
